

1. Product name: Vaagun

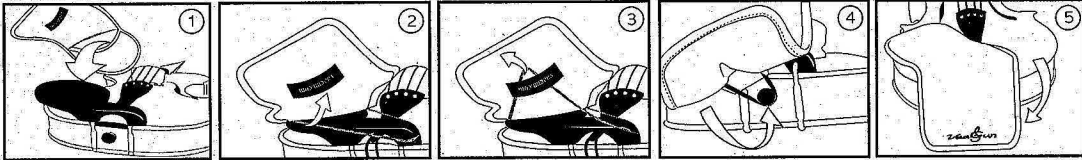

2. Material: Brown – Micro Fiber/ Polyester 85%, Nylon 15%  
Black – Cotton 100%

3. Company/Country of Origin: Vaagun/ Korea

4. Product description:

Vaagun products cover the chinrest in order to minimize skin irritation on the area from the chin to the collarbone. Not only does Vaagun provide comfort, it also absorbs sweat to keep you and your violin dry.

5. How to use

① Place the cover over the chinrest. Locate the elastic band and check that the band is over the chinrest.

② Pull the elastic band and hook it around chinrest.

③ Pull the bottom side of the stretched elastic band, and pass it through the label.

④ Hook the band on to the violin's end button.

⑤ Make small adjustments if necessary.

6. How to wash: It can be hand-washed with a neutral detergent. Wringing with excessive force could damage Vaagun.

**[Vaagun chinrest cover is registered / protected under design patent.]**
